Artisan Power

Replacement Charger Clips for the 8400 Quad Charger P-8440CC (Pack of 4 Clips)

Reference Information

Artisan Power Part Number P-8440CC

Polycom/Spectralink Model 8400 Quad Charger
1310-37224-701

Product Information

Replacement Spring Loaded Clips for the Polycom and SpectraLink 8400 Quad Chargers. These clips are designed with stronger plastics and high quality metal springs to ensure a reliable fit with the batteries and the quad charger, compared to OEM clips that are prone to breakage and impede charging the batteries.

Each pack of the P-8440CC comes with 4 Replacement Clips and 4 Replacement Springs, and instructions for installing the clips. Just slide the spring onto the back of the clip, and insert the clip into the charger slot. The P-8440CC is a reliable alternative for replacing all four clips on the Quad Charger.

Physical Characteristics

Clip Color Green

Package Bundle 4 Clips

Package Weight 0.2 oz (5 grams)

Package Dimensions 1.5 x 3.0 x 0.2 inch
(41 x 75 x 7 mm)
